NATIONAL SAFETY REPORT TO COUNCIL **FEBRUARY 2020**

COC SAFETY OFFICE RE-LOCATION BENONI

The Durban Office has re-located to a small Office in Benoni. During December 2019 the Office was set up and is up and running as of the 1st January 2020.

350 COC applications have been processed, captured and copied in the month of January 2020 and submitted to SAMSA direct delivery and we have 61 COC'S FOR SUBMISSION NEXT WEEK. All Financials and COC Interim and COF Books/ Skippers Manuals are still being handled by Kim Hook. The Benoni office handles all the COC applications and Safety Admin for the NSO only. Currently we are still making copies of all COC Applications but the plan is to scan and I-cloud all applications to a Folder under Identity Numbers only, hence to eliminate the paperwork trail and improve our administration working system. SAMSA are currently working on all COC tickets right now. The errors on Zululand's COC's are being corrected with a few submitted last week ready for collection next week. I believe we have now set up a good working relationship with SAMSA. North West was assisted with a major issue which is now sorted.

The office e mail is up and running office@sadsaa.co.za and Lyn can be contacted on her cell at 0835880217.

A big thank you to Chris Schorn for assisting us in that we now have one major National Data Base for our audit next week.

APPOINTMENT OF 4 X NATAL SURVEYORS

We are happy in that Natal was appointed 4 new Surveyors in areas/clubs that did not have a Safety Officer. As soon as our audit has been completed, we will request more Surveyors to be appointed. These Surveyors were appointed from the training done in Durban in early August last year.

SAMSA AUDIT

We have a major Annual Audit starting Monday 9th February 2020 with Debbie James from SAMSA Boating for three days. Both random checks are being done on both Examiners and Surveyors.

EXAMINERS/SURVEYORS APPOINTMENTS EXPIRE 31ST APRIL 2020

A notice will be going out shortly for the Re-newel's to be done from the 1st May 2020. Examiners will receive new letters of appointments from SAMSA. We will also be updating our cards to a more modern effect. The cost of the Examiner/Surveyor cards is still R125 from Province to SADSAA. All appointments will be done from the SADSAA Safety Office.

APPOINTMENT CARDS

We are looking at improving and changing with a better design the SADSAA SURVEYORS/EXAMINERS Appointment card.

FIRST AID BOOKS

We have in the Benoni office over 800 First Aid Books.

Discussion.

EXAMINER REFRESHER COURSE TRAINING 2020

It is a major concern to see how many Examiners **DO NOT KNOW HOW TO COMPLETE AN INTERIM FORM**. The Documentation from certain Provinces/Examiners is shocking and leads to hours of wasted time in us having to fix up the paperwork. We are going to host some training seminars for invited Examiners.

CONVERSION COC'S AND UPGRADE COC'S

There is still some confusion with Examiners/Provincial Administrators re the difference between an Upgrade and a Conversion as well as an Endorsement Change.

CONVERSION : LICENSE CHANGE FROM AN OLD FORMAT TO A NEW FORMAT
E.G. OLD A1(1) LICENSE TO NEW CAT B STATUS FORMAT

UPGRADE : ENDORSEMENT CHANGE OR CATEGORY CHANGE ON A COC
E.G. CHANGING FROM CAT C TO CAT B
CHANGING FROM SHELTERED LAUNCH TO SURF LAUNCH

DUPLICATE : This is a re-issue of a license which has been lost and on the SAMSA Data Base.

MARINE NOTICE 3 OF 2020

Copy attached and this has been circulated to all PSO's. Weight factor increase. This is slowly to be phased in over a period of time.

TECHNICAL MEETING 2020

We are waiting on a date from SAMSA. We have sent through some items for Discussion.

*Regulation 40 (International Recognition of COC Licenses)

This is of major concern as some Countries are NOT accepting our COC.

*PWC Buoyancy

*PWC Skippers Practical Training

*Skippers Training on Line Theory Only

SADSAA COF DATA BASE

It appears more Surveyors are now loading their COFs stats onto the Data Base. Attached is the latest stat report back.

Attached please find the reports from my two Deputy's with me today at our meeting.

I look forward to a good year of Safe Boating.

I would like to thank the following people for their major help in the past months
Chris Schorn, Paddy Venske, Jannie De Jonge, Riaz Hussain and Lyn Adams.

To all our Surveyors and Examiners lets keep the name of SADSAA High and work as a Team for perfection in 2020.
