

ANGLING - Angling at FBYC

Hi Members and Fishermen/Fisherwomen,

We had a very successful Inshore League held in False Bay. A big thank you to all the participants who took part and proudly represented FBMT.

The weigh-in was held at CBSC, who hosted us exceptionally well. Thank you to CBSC. I hope to see more and more anglers participating in future events as the league continues to grow.

We are also proud to be hosting the WP Prize Giving this year at FBYC. A special thank you to Paul, Chef Gary, and everyone working behind the scenes for their efforts in making this event possible to work alongside Western Province.

There has been some outstanding yellowtail catches in the bay and tuna are still out there at the moment.

I would like to encourage everyone to share a photo and a short story from their recent day on the water. I would like these to be included in the DD for other members to enjoy. Let's share these special moments out at sea and showcase the great spirit of our angling community. Please email your photos and short stories to: gareth@rmprof.com

Thank you for your participation and support

Gareth Decker
