

ANGLING - Angling at FBYC

Hi Members and Fishermen/Fisherwomen,

We had the WPDSAA prize giving on Saturday 21st March, we had three of our members Caped for the Tuna Nationals happening out of Hout Bay in April at ABC. FBMT placed third overall in Western Province league, thank you to the committed anglers and skippers who set the time aside to participate. Our Junior Anglers did exceptionally well, keep it up lads! Our TO, Andre thanks for all your hard work you put in towards the leagues to help all us members participating.

I would like to sincerely thank several individuals for your assistance and support with the preparations and for accommodating all our requests to host the WP prize-giving. The event was a great success, and it would not have been possible without your effort and teamwork.

Paul D, Chef Gary, Bianca, Andre, Adrian, Tim, Jacqui, Bar Staff, Restaurant staff and Security Staff,
Much appreciated, thank you

Come support the steak night being held this Friday at the club!

Gareth Decker
