SAILING - Sailing at FBYC

Peter Knipe Memorial Trophy:

Diane Brits, daughter of the late Cecil Knipe has given this beautiful trophy back to FBYC. Peter was Cecil Knipe's son who tragically died over the Easter weekend fifty years ago. The trophy was traditionally raced on Buccaneers in memory of Peter and will be re-introduced into our racing calendar in the new season. The trophy was last won by Andrew Edwards in 1988. We thank the Knipe family.

Easter Regatta:

This was a good regatta, with fifteen boats taking part. Please see the results in the racing results section.

FBYC wishes to thank all the competitors for their donation of Easter Eggs. These were distributed once again by Terry Spreeth to the under privileged.

Esprit de Corps:

Once again DYC – WP hosted a fantastic regatta, with much fun a laughter had by all. I'm proud to announce that once again team FBYC was victorious. The top individual teams were Evert & Mathew (FBYC) first with Danie & Hugo (DYC – WP) second and Nico & Megan (FBYC) third. A big thank you to **Nautic Sailing** for sponsoring the prizes.

Saldanha Bay Autumn Regatta:

A team representing FBYC took part in this regatta on "CORUM" They won both races and overall. The team comprised of Mark & Ryan Gibson, Guy Bury, Geoff Olive and Martine & Basil Langley.
