SAILING - Sailing at FBYC

Bertie Bear:

Although it was short notice, we were very privileged to have Jennifer Clausen, daughter of legendary Bertie Reed, visit our club to introduce and sign her book "THE ADVENTURES OF Bertie Bear".

Trophy Donation:

Thomas Swana has very kindly donated a trophy to the club that was handmade by Bertie Reed. It is intended to be used for either the Single or Double Handed Race.

Burgee exchange:

We had a Burgee exchange with a few members of the Columbia Yacht Club based in Chicago. They were very impressed with our club and extended an invitation to visit their club should any FBYC members find themselves in Chicago.

Spring Regatta:

Spring Regatta is fast approaching and the organising has begun. The dates for this year's regatta are 24th, 26th & 27th September.
