ANGLING - False Bay Marlin and Tuna

4th October 2026

ANGLING REPORT

We hosted the "Night of the Legends" event on the 18th of September where Brian Cohen was inducted into the South African Hall of Fame recognizing his achievements in catching Blue Fin Tuna. Many thanks to all concerned for hosting such a fantastic event..!

Unfortunately, the weather has been challenging lately making it difficult to participate in our WPDSAA fishing League. FBM&T is currently lying 2nd in the Inshore League, just above CBSC.
